

K-LOVE is the ONLY radio station that is safe for my children to listen to...bottom line. In a world full of sex, violence, and generalized promiscuity, it is the only radio station that we can enjoy as a family. To lose K-LOVE to an LPFM broadcaster would be detrimental to our community because our children and families would not be able to enjoy the powerful, encouraging, uplifting messages that K-LOVE brings to our community. There is no doubt in my mind that any LPFM broadcaster that might replace K-LOVE would not bring with it the same community commitment and service that K-LOVE does. K-LOVE serves the public interest. If it didn't, it would not remain on the air as a listener supported signal. Please keep K-LOVE going strong. Thank you. Committed Listener / Supporter.
